

Palau

Through *Pacific Women*, the Australian Government will spend approximately AU\$1.4 million over ten years (2012-2022) on initiatives supporting gender equality and women's empowerment in Palau. More information on the partnership and nature of support is included in the [Pacific Women Palau Country Plan Summary 2015-2019](#) valued at AU\$450,000. Palau is supported through *Pacific Women's* regional program. Details of initiatives can be viewed via our [interactive map](#) under regional activities.
